Instructions:

1. Package your product appropriately for the delivery method you choose.
2. Ship your unit(s) to one of our locations below.
3. Once your unit has been evaluated, a Service Technician will forward a quotation to you via email or fax.
4. After we have received a signed copy of the quotation back with the appropriate information provided, service will be completed on your item(s).
5. When service is complete, your item(s) will be forwarded to the Shipping Department where they will be carefully re-packaged and returned as per your preference.

Our shop rate is \$108 CAD per hour
